Needs Across the Ocean

God has given our ministry a great burden for the souls of Europe. Having gone to Europe for several years in a row, we've been particularly drawn to needs in Italy and Poland.

Italy (Rome): After leading Music Camps for 2 summers, there are now 2 other churches from the US that are committed to leading Music/Arts camps next summer. RoPM will help them by providing instructors. Praise God that more believers are mobilized to help in the effort to bring Christ to Rome. What do they still need from us?

- 1) PRAYER. The Siricos (missionaries to Rome) are gathering more prayer team members who will commit to prayer over Rome on a regular basis. Please let us know if you want to be added to that list.
- 2) PRAYER WALKERS. We are still looking for several volunteers to prayer walk throughout Rome this coming Spring.
- 3) YOUTH WORSHIP LEADER. It is difficult to realize that missionaries in Rome still struggle to find even ONE worship leader to lead the youth. Especially, since there is an abundance of worship leaders here in the states. Our churches fill huge worship conferences with worship leaders wanting to learn more about this area they are called to. But what about Europe? Please join us in praying that God will provide a worship leader who will be willing to go serve in Rome for 3 months, 1 year, or even 3 years. There is a desperate need for a leader who will inspire the youth of Rome to seek the face of God.

Poland:

- 1) FISHARTS CAMP.(July 2013) Instructors or instructors' assistants needed for one-week camp in Zakosciele, Poland. (music, art, photography, technical areas). You will have the opportunities to work hands-on with high-schoolers who don't know Christ, building relationships, encouraging their natural gifts, and sharing the Gospel.
- 2) KONTAKT FESTIVAL. (August 2013) Entertainers, business professionals, doctors, artists, young and old. Team needed to serve the city of Lodz, Poland during their Kontakt Festival. [Click here](#) to read more about what our team experienced last year at Kontakt.

In Prison, Again

October saw the Verna Law Band in prison once again, encouraging incarcerated men and women at the Weekend of Champions in Georgia area prisons. We played at two different prisons and we saw God work powerfully. Bill Glass Champions for Life reported that over 2500 prisoners made new or renewed commitments to Jesus Christ. At the Burruss Correctional Facility in Forsyth, after we played a set of

secular songs, former pro wrestler Tully Blanchard gave his testimony and asked us to play a worship song. As we were getting ready, one of the band members thought there was a lot of feedback on the sound system. Then he realized it wasn't feedback. It was the sound of men weeping. When we left, men were gathered in groups, arms around each other, praying. What a grace to see God at work.

It's the End of the Year...

...and you know what that means. By your generosity and the grace of God, Rivers of Praise Ministries is financially viable. We are so thankful for your generous donations, more so given the state of the economy and knowing the many worthy ministries in need of funds.

Yet we boldly ask you to consider us as you think about end of the year giving. Your gifts have allowed us to share the good news of Jesus Christ both locally and in Italy and Poland, and to teach and mentor youth who long to use their musical gifts for the building up of the body of Christ. If you would prefer, we are also deeply appreciative of monthly donations. If you'd like more information about donating to Rivers of Praise on a regular basis, please contact Verna via reply email or at the phone number given below. RoPM is a 501(c)3 organization and your donations are tax deductible.

One More Thing

We are getting underway with planning **Worship For Youth 2013!**

It will be Friday **October 25-Saturday Oct 26** and we couldn't be more excited! Do you know middle or high school students who want to learn more about leading worship? Or perhaps you know someone this age who enjoys working "behind the scenes" and would benefit from training in technical areas like sound engineering, video, graphics or lighting? More information will be added to our [website](#) as soon as it becomes available. To join us as a **volunteer**, please reply to this email.
